HALLOWEEN CELEBRATION

All classes will be having their annual Halloween Parade on October 28th and October 29th (teachers will follow up with details). The teachers ask that the children come to school already in costume. Please leave all accessories at home. If your child does not wish to dress up, that is fine. If your child is wearing a costume, please send in a change of clothes so that the teachers can change them when the parade is over. Masks are required by outdoor spectators. Children 2 years and older are recommended to wear masks. We ask that parents do not park in the lot or on the sidewalk. Please do your best to follow the safe social distant policies to keep everyone safe and healthy.

Fundraising: Last year FSCP raised \$2,964.00. A portion of the funds raised went towards new air purifiers for each classroom and all common areas. Our funds will go towards snacks and special lunches for the kids throughout the year, special games to be used in the classrooms on cold winter days, new waterplay toys for summer, a special gift for our PreK grads. We will also bank a small portion of each year's funds to put towards a shade cover for the play yard. It will take a few years to raise the full price. Thank You FSCP Parents and Parents Association!!!

PARENT ASSOCIATION

If anyone is interested in helping run some of the fundraisers, please let us know. We need one classroom rep for each classroom. As a rep, you would help to communicate and coordinate some special events with each class. Please consider volunteering your time! We have planned fundraisers from October through May. The proceeds raised will go towards purchasing classroom manipulatives, playground upgrades and additional iPads for classrooms.
