OCTOBER 2023 Edition
Director: Lauren Trimbur

THANK YOU!!

We hope the information you received from your teacher so far will help you understand your child's daily routine, activities, and classroom environment. Please let us know if you have any questions.

Our goal is to provide a safe, healthy, and nurturing environment with the highest quality learning program for your child. The staff here at Four Seasons School is looking forward to working and learning with the children. We have a great year of opportunities and experiences planned to share with them.

HALLOWEEN CELEBRATION

All classes will be having their annual Halloween Parade on October 26th and October 27th (teachers will follow up with details). The teachers ask that the children come to school already in costume. Please leave all accessories at home. If your child does not wish to dress up, that is fine. If your child is wearing a costume, please send in a change of clothes so that the teachers can change them when the parade is over. We ask that parents do not park in the lot or on the sidewalk. In addition to our parades, we will have classroom celebrations on 10/31. There will be pizza lunch and Halloween movies and children can wear their favorite Halloween shirts or orange shirts!

Fundraising: A portion of the funds raised went towards new playground equipment and new filters for our air purifiers. Our funds will also go towards snacks for the kids throughout the year, special games to be used in the classrooms on cold winter days, new waterplay toys for summer, and a special gift for our PreK grads. We will also bank a small portion of each year's funds to put towards a shade cover for the play yard. It will take a few years to raise the full price. Thank You FSCP Parents and Parents Association!!!
