

Four Seasons Childcare & Preschool Newsletter

November

NOVEMBER 2021 Edition
Director: Lauren Trimbur

SCHOOL NOTES

Please don't forget that Friday, November 5th is a half day for all children. This is an in-service day for the staff. All children must be picked up by 12:30pm.

As a reminder, all children (except under 6 months of age) must have a **flu shot**. If you took your child for their shot, please submit it to the Front Office. If you have not scheduled an appointment for it, please do so asap. The shot records need to be submitted to us by January 3, 2022. Thank you!

Student Service Reports will go home 11/8 and 11/9. Please review, sign and return to school. If you have any questions regarding your child's Service Report, please see your child's teacher.

We are looking forward to our Annual Thanksgiving Feast! Our feast will take place at 11:00am on November 23rd for T/TH and 5-Day students and November 24th for M/W/F, 5-Day and PreK students. Our menu will be: chicken nuggets; mashed potatoes; peas & carrots; dinner roll and applesauce.

Please review the Parent Handbook referring to our drop off and eating breakfast.

UPCOMING FUNDRAISERS

Pick up date for wreaths is November 23rd, 12:30pm to 6:00pm. Help is needed to get orders together.

FSCP has teamed up with Gwynedd Mercy University's "Student Veteran Association" in their quest to support our Military Troops! Attached is a flyer from GMU listing goods that the troops would greatly appreciate! Families can drop off their donations at our Foyer door. They are collecting the goods and will ship them overseas. Their deadline for collecting is November 11, 2021. While we realize this is a short notice, anything that you can donate would be greatly appreciated!!

IMPORTANT REMINDERS/INFORMATION

Even though the weather is getting colder, we still go outside to play as often as we can, even if it's only for 10 minutes. It is important for the children to get fresh air daily. Keeping this in mind, please send your child to school in a warm coat, hat & gloves. Please be sure that your child has a change of clothes appropriate to the weather conditions. We also ask parents to send an extra pair of shoes. Please refer to our Parent Handbook for our Clothing Policy. Thank you!!

Please send babies in snow suits or warm coats. We will still take the babies outside.

Please visit our website to review the Parent Handbook. New and revised policies have been added and edited. Don't hesitate to

call us with any questions!

It is important that you keep your child home when they are sick. If your child is sent home sick, they are not to return to school until they are symptom free for 72 hours from the last occurrence. Please do not give your child medicine and send them to school. Please refer to our Parent Handbook for more information.

Please help us to keep the germs away! It is very important to help us keep our little ones healthy. Please make sure to wash your child's hands every morning before arrival. Please continue to do the COVID check prior to dropping your child off to school. Thank you for your support and cooperation!!

As we approach the cold weather months, please know our school closing policy for weather related events. In the event that we need to close, you will be notified via teacher's email and posted on our Facebook Page.
